All Sara Reynolds remembers of the accident that killed her husband, Bryan, is his dying plea: "Don't let them get away with it." As she and Bryan's life-long Native American friend, Charlie Littlewolf, pursue the truth, dark forces pursue them both. Will they fulfill Bryan's last request? Or does an ancient curse play a far greater role than either realizes? (Catalog p. 4)	_Website View_	Electronic ARC	Print ARC
